- Sarabande: A slow, stately dance emphasizing expressive melodic lines and often in triple meter.

Dance as a Pedagogical and Artistic Tool

Bach's immersion in dance forms served multiple purposes. As a composer and musician in a society where dance was integral to social life, Bach's mastery of dance rhythms and structures allowed him to infuse his compositions with vitality and clarity. Moreover, dance movements served as excellent exercises in technique and form, helping students and performers develop precise rhythm, articulation, and stylistic awareness.
