The primary purpose of Section 2 is to measure how well a student can:

- Comprehend the overall meaning of a text
- Identify specific details and facts
- Make logical inferences based on the passage
- Understand vocabulary within context
- Analyze the author's tone, purpose, and point of view

Typical Structure of Section 2

Section 2 usually consists of:

- **Passages:** One or more passages, often ranging from a few paragraphs to several pages.

Effective Strategies for Approaching Section 2 Reading Comprehension

Success in Section 2 hinges on strategic reading and question-answering techniques. Here are essential strategies to maximize your performance:

1. Skim the Passage First

Before diving into detailed reading, quickly skim the passage to get an overall sense of:

This initial overview helps you anticipate what the questions might focus on and guides your detailed reading.

2. Read Actively and Annotate

While reading, engage actively by:

- Highlighting or underlining key points
- Writing brief notes in the margins
- Marking unfamiliar words to revisit

Active reading improves retention and helps locate information efficiently when answering questions.

3. Focus on Keywords in Questions

When approaching questions:

- Identify keywords that direct your attention (e.g., "main idea," "author's tone," "infer")
- Match these keywords with relevant parts of the passage

This focus reduces confusion and speeds up your response process.

4. Use Process of Elimination

For multiple-choice questions:

- Eliminate clearly wrong options first
- Compare remaining choices carefully
- Choose the best answer based on evidence in the passage

5. Manage Your Time Effectively

Set a time limit for each passage and its questions to ensure you complete the section:

- Spend approximately 10-15 minutes per passage
- Reserve time at the end to review answers if possible

Common Question Types in Section 2

Understanding the types of questions you will encounter can help you prepare better. Here are the typical question categories:

1. Main Idea Questions

- Ask about the central theme or purpose of the passage
- Example: "What is the main point the author is trying to convey?"

2. Detail Questions

- Focus on specific facts or information explicitly stated
- Example: "According to the passage, when did the event occur?"

3. Vocabulary in Context

- Assess understanding of unfamiliar words based on surrounding text
- Example: "What does the word 'elated' mean in paragraph 3?"

4. Inference Questions

- Require reading between the lines to interpret implied meaning
